Steffen Lindemann specialises in corporate litigation and commercial arbitration.

He represents German and international clients in complex disputes with a focus on contractual disputes, post M&A disputes, cartel damage claims and corporate liability disputes. Before joining rothorn legal, Steffen was an Associate in the Dispute Resolution department of Linklaters LLP in Frankfurt. Steffen holds a Ph.D. from Goethe University of Frankfurt.

Steffen speaks German and English.

Experience

- Representing the insolvency administrator of an insolvent industrial company in an ICC arbitration concerning corporate law claims against its former international parent company following an M&A transaction
- Representing a financial investor in a DIS arbitration concerning claims arising from a share transaction
- Representing a German financial institution in corporate liability proceedings
- Representing a listed German construction company in corporate liability claims against several D&O insurers
- Advising an international pharmaceutical company in a licensing and distribution dispute
- Advising an international automotive supplier in litigation with customers and material suppliers in connection with a cross-border recall of defective parts

Education

- Dissertation, University of Frankfurt (Germany)
- Legal Training (Referendariat), Higher Regional Court of Frankfurt, Regional Court of Wiesbaden (Germany)
- Law studies, University of Freiburg (Germany)
